MEUDON

AN ENTIRE COASTAL HIDEAWAY, EXCLUSIVELY YOURS

Licensed for both indoor and outdoor ceremonies, Meudon offers one of Cornwall's most sought-after wedding experiences: the rare opportunity to marry on a completely private beach, with the entire hotel, gardens, and shoreline reserved solely for you and your guests.

Tucked away within nine acres of subtropical valley gardens and opening onto the hidden sands of Bream Cove, Meudon feels less like a venue and more like a destination. Historic yet effortless, secluded yet immersive — this is a setting designed for couples who value beauty, intimacy, and intention. Contact **events@meudon.co.uk** for more information.

WHERE NATURE SETS THE SCENE

Dating back to the 1800s, the hotel is enveloped by dramatic gardens filled with towering plants, winding pathways, and painterly bursts of colour. Follow the garden paths down to the water's edge and exchange vows with the sea as your backdrop — uninterrupted, unspoilt, and entirely private. No strangers. No distractions. Just your people, your moment, and the rhythm of the coast.

From open-air ceremonies bathed in natural light to airy interiors that frame the landscape beyond, every space has been curated by nature itself — ideal for timeless, **editorial-style photography.**

EXCLUSIVE USE, REDEFINED

A wedding at Meudon is not a single day, but a fully immersive experience. With exclusive use of the entire property, your celebration unfolds across a relaxed, multi-day stay where guests are free to **explore, unwind, and connect.**

The hotel's 30 thoughtfully designed bedrooms allow your nearest and dearest to stay on site, transforming your wedding into a shared escape. Seasonal menus by the award-winning in-house culinary team highlight locally sourced and homegrown ingredients, served as elegant feasts or relaxed, contemporary dining. As evening settles in, the **atmosphere shifts seamlessly** from refined to celebratory — live music, candlelight, and dancing that carries late into the night.

For couples seeking something beautifully pared back, Meudon also offers an intimate elopement experience, available throughout the year.

A BLANK CANVAS, EXPERTLY SUPPORTED

Meudon is offered as a blank canvas, allowing each celebration to feel entirely personal. An experienced on-site wedding coordinator and master of ceremonies will guide you through every stage, ensuring a seamless flow from first arrival to final toast. A carefully curated network of local creatives is also available to help shape every detail with intention and style. Meudon is a secluded hotel wedding venue in Falmouth, Cornwall — **defined by private beach ceremonies, exclusive use, and quietly unforgettable moments.**
